Dear Sir:

In the Official Action dated June 20, 2001, the Examiner indicated that the application failed to comply with the requirements of 37 C.F.R. 1.821-1.825, as a copy of the sequence listing in computer readable form had not been submitted.

Submitted herewith is a computer readable form (CRF) copy of the "Sequence Listing" as required by 37 C.F.R. 1.821(e). Applicants state that the content of the paper copy of the Sequence Listing as originally filed and the computer readable form copy submitted herewith are the same and include no new matter, in accordance with 37 C.F.R. 1.821(e), (f) or (g), or 1.825(b) or (d).

It is believed that the above represents a full and complete response to the Official Action,  
and consideration on the merits is respectfully requested.

Respectfully submitted,
